Also known as World Healing Day and World Peace Day, the International Hour For Peace is an annual global event launched in 1986 by the Quartus Foundation to offer people all over the world an opportunity to gather for peace, love, understanding, and forgiveness through a simultaneous global mind-link at noon Greenwich Time on December 31st of each year. Based on the Quantum Physics principle that thought and prayer can direct energy and thus create reality, the event is designed to join millions of minds around the world to focus on and manifest lasting peace on Earth. 2018 is the 33rd annual event both globally and in Fort Collins and the theme of our Northern Colorado events is "Peace Around the World" to commemorate the 100th anniversary of Armistice Day, the 70th Anniversary of the 1948 United Nations Declaration of Universal Human Rights, and the 40th Anniversary of the 1978 United Nations Declaration that Peace is a Universal Human Right. *The program is dedicated to Rev. Bob Geller, longtime Fort Collins peacemaker who found Eternal Peace September 23rd at the age of 97.*
