## HISTORY AND PURPOSE OF QUARTUS

<https://www.johnrandolphprice.com>

The Quartus Foundation for Spiritual Research was founded in 1981 by Dr. John Randolph Price and Jan Price, and became a tax-exempt, non-profit corporation in 1983. While writing the book *The Superbeings*, John made contact with a state of consciousness within himself, which he called his Higher Self. During this experience, he asked that the purpose of the book be revealed to him, and the inner voice said: "To reveal the truth that every man and woman on Earth is more than a human being, that each has the Gift and may rise above all limitations of mind, body and affairs."

As the fulfillment you are seeking is found by rising in consciousness, you will be demonstrating the Truth, and as you share these experiences with others, and as they share their experiences with you, you will grow together. You, and others who will join you in the journey, are seeking the Fourth Dimensional Consciousness, which was established within all mankind in the beginning. It is in the depths of your being now, awaiting your rediscovery.

"Call your group 'Quartus' to denote the four-square aspect of each individual: Spiritual, Mental, Emotional, and Physical. It is not to be a church or a religion. It is to be a foundation for continued research and communications on the Reality and truth of Man and his world. It is to be a platform for the free exchange of ideas, for opening minds, for sharing and growth." *And so The Quartus Foundation was established.*

In 1986 John wrote the World Healing Meditation and the Quartus Foundation established the International Hour For Peace on December 31st of each year. It was called World Healing Day and World Peace Day – a moment of Oneness to dissolve the sense of separation and return humankind to Godkind.

Since then, participation in the December 31st International Hour For Peace has been a way for millions of people all over our planet to connect at Noon Greenwich Mean Time for prayer, meditation, music, readings, dialogue, etc. focusing on world peace and inner peace for the coming year. When many minds join together with the intention of creating peace in the hearts of all people on earth, miracles

happen! As Margaret Mead stated, "Never doubt that a small group of thoughtful citizens can change the world. Indeed, it's the only thing that ever has."

A correspondent from Italy wrote, "This is our 'Super Bowl', and we plan for the December 31st event just as families and friends in your country anticipate coming together in their homes to watch that media event in January. The victory we see, however, is not one-sided. The prize is peace for all people."

In 2001, John and Jan received their doctorates from Emerson Theological Institute, the same educational entity from which our coordinator, Rev. Dr. Victoria Gardner, received her doctorate in 2000.

With the deaths of John and Jan, Quartus closed in 2018. Yet at noon Greenwich Mean Time on December 31, people around the world continue to gather to participate in the most comprehensive prayer activity in history – a planetary affirmation of peace, love, forgiveness, and understanding involving millions of people in a simultaneous global mind link. The purpose: to reverse the polarity of the negative force field in the race of mind, achieve a critical mass of spiritual consciousness, and usher in a new era of Peace on Earth.

*In the beginning; In the beginning God.  
In the beginning God created the heaven and the earth.  
And God said "Let there be light". . . and there was light.  
Now is the time of the new beginning.  
I am a co-creator with God, and it is a new Heaven that comes,  
as the Good Will of God is expressed on Earth through me.  
It is the Kingdom of Light, Love, Peace and Understanding.  
And I am doing my part to reveal its Reality.*

*I begin with me.  
I am a living Soul and the Spirit of God dwells in me, as me.  
I and the Father are one, and all that the Father has is mine.  
In Truth, I am the Christ of God.  
What is true of me is true of everyone, for God is all and all is God.  
I see only the Spirit of God in every Soul.  
And to every man, woman and child on Earth I say:  
"I love you, for you are me. You are my Holy Self."*

*I now open my heart and let the pure essence of Unconditional Love pour out.  
I see it as a Golden Light radiating from the center of my being,  
and I feel its Divine Vibration in and through me, above and below me.  
I am one with the Light.  
I am filled with the Light.*

*I am illumined by the Light.  
I am the Light of the world.  
With purpose of mind, I send forth the Light.  
I let the radiance go before me to join the other Lights.  
I know this is happening all over the world at this moment.  
I see the merging Lights.  
There is now one Light.  
We are the Light of the world.  
The one Light of Love, Peace and Understanding is moving.  
It flows across the face of the Earth,  
touching and illuminating every soul in the shadow of the illusion.  
And where there was darkness, there is now the Light of Reality.  
  
And the Radiance grows, permeating, saturating every form of life.  
There is only the vibration of one Perfect Life now.  
All the kingdoms of the Earth respond,  
and the Planet is alive with Light and Love.  
There is total Oneness, and in this Oneness we speak the Word.  
Let the sense of separation be dissolved.  
Let mankind be returned to Godkind.  
Let peace come forth in every mind.  
Let Love flow forth from every heart.  
Let forgiveness reign in every soul.  
Let understanding be the common bond.  
  
And now from the Light of the world,  
the One Presence and Power of the Universe responds.  
The Activity of God is healing and harmonizing Planet Earth.  
Omnipotence is made manifest.  
I am seeing the salvation of the Planet before my very eyes,  
as all false beliefs and error patterns are dissolved.  
The sense of separation is no more;  
The healing has taken place, and the world is restored to sanity.  
This is the beginning of Peace on Earth and Good Will toward all,  
as Love flows forth from every heart, forgiveness reigns in every soul,  
and all hearts and minds are one in perfect understanding.  
It is done. And it is so*
